

# AQUALON® EDGE

## Soft

Roll Width: 59 inches • Weight: 11oz/yd<sup>2</sup>

Aqualon® Edge Soft is a product from Trivantage®, combining the performance of Aqualon Edge with the protection of a soft warp knit backing. This fabric provides worry-free cover for antique wooden boats, recreational boats and competition boats, as well as patio furniture, grill covers, RV windshields, airplane covers and other applications.

Aqualon Edge Soft is a hybrid performance fabric. It features a front fabric coated with Perfecta Marine® technology that creates superior heat reduction, heat reflection and exceptional UV performance. The backing, made of warp knit polyester fabric, provides an abrasion-resistant surface that's safe to use against sensitive gelcoats, critical painted surfaces and delicate objects.

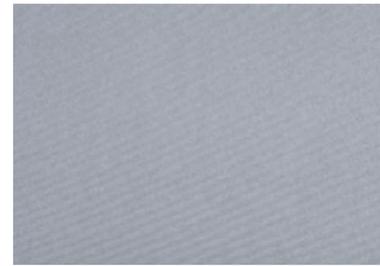

Trivantage offers an industry-leading 7-year warranty for color and strength, excluding normal wear and tear.

**Note:** Full enclosures should be vented for air circulation.

*Colors are representative only. Small variations in shade should be anticipated and are with commercial tolerances.*
